

RAMBLE GTX

red
Art. No. 206602

Leather thickness 2,0 – 2,2 mm, breathable and waterproof thanks to GORE-TEX® Performance, Shaft height 16 cm, sole tree care Curcuma + EVA + black TPU

Available sizes UK 6 – 12

206602

Upper material

Robust and durable cow split leather and textile material ensures stability, flexibility and safety against injury from branches, additional protection against abrasion and stabilization through rubber edge strips

Inner lining

GORE-TEX Performance; waterproof and breathable. Highly abrasion-resistant lining fabric with fleece interlayer. Optimum climate comfort for all seasons.

Insole

Insole with air holes and microfiber coating. Ensures breathability and perfect comfort.

Sole

Stable and abrasion-resistant, non-slip VIBRAM rubber / EVA sole with robust off-road profile. The EVA wedge with its low weight provides shock absorption and good rolling comfort. The outsole is heat and fuel resistant and non-marking. The sole is flexible in the forefoot to ensure optimum grip, but at the same time stiff enough for secure footing in forks.

Other features

Flat eyelets to prevent snagging and injuries, Perfect fit thanks to special lasts, Extremely non-slip sole with innovative design thanks to HAIX® Anti Slip, Reliable

ankle protection thanks to the height of the shoe for a secure hold, Rubber toe and heel protectors for a longer service life, Spare parts for laces and insole, Resoleable sole
